This Dyson vacuum has been refurbished. Dyson has stripped it down, cleaned it out, replaced any necessary new parts, and then tested it thoroughly.

In short, it's everything a Dyson machine should be. A vacuum that works properly and doesn't lose suction.

Starting the day you bought it, this vacuum comes with a six month limited warranty against original defects in materials and workmanship. It covers private household use in accordance with the owner's manual.

You can register your new Dyson vacuum by going to www.dyson.com or calling our team of experts at 1-866-693-9766*. They can also answer any questions you might have by email - questions@dyson.com.

Thank you for choosing Dyson.

*Open 9am - 6pm CST, 7 days a week.

Dyson proves no loss of suction using the IEC 60312 Cl 2.9 test standard.
